## FROM DIRECTOR'S DESK

### MR. R.S. Rana, Director IQAS

- **As we move into a new month, we reflect on a productive December 2025 that saw a number of laboratories being accredited and many applying for accreditation.**
- **We continue with one of our primary objectives of spreading accreditation awareness. Our training and workshops have gained popularity and it has been over a year now that we have been conducting weekly trainings on various accreditation related topics**
- **Our continued commitment to quality, innovation, and capacity building drives us to enhance our services and support organizations in achieving excellence through internationally recognized standards and best practices.**
- **IQAS is an APAC & ILAC Full Member and a Signatory to the APAC & ILAC MRA for Testing & Calibration ISO/IEC 17025 and Medical Testing ISO 15189 schemes.**
- **Accreditation confirms adherence to specific standards, ensuring consistent quality regardless of the Accreditation Body's identity or location..**

## **IQAS GRANTS ACCREDITATION TO:-**

- **Testing Laboratories as per ISO/IEC 17025:2017**
- **Calibration Laboratories as per ISO/IEC 17025:2017**
- **Medical Testing Laboratories as per ISO 15189:2022**
- **Proficiency Testing Providers (PTP) as per ISO/IEC 17043:2023**
- **Reference Material Producers (RMP) as per ISO 17034:2016**

### **Mission**

**To provide economical, hassle free and timely accreditation services to desirous laboratories**

### **Vision**

**To make accreditation services available and accessible to laboratories for testing, calibration, medical, proficiency testing providers and reference material producers across all sectors, ensuring benefits to all the stakeholders.**
