# **NEWSLETTER**

This October 2025 edition of the IQAS Newsletter highlights a month full of achievements – successful training programs which include among others Quality Management System & Internal Audit as per ISO/IEC 17025:2017 and the addition of new CABs to the growing IQAS family and participation in the Global Joint IAF and ILAC meeting

**Economical,  
Efficient,  
Timely and  
Hassle-free  
Accreditation  
Services**

## **MR. R.S. Rana, Director IQAS**

- As we move into a new month, we reflect on a productive October 2025 that saw a number of laboratories being accredited and many applying for accreditation.
- Several impactful training sessions were conducted and it gave us pride to have completed a year wherein a training was conducted every week. This spread of accreditation knowledge was and is a continued fulfilment of one of IQAS' objectives.
- Our continued commitment to quality, innovation, and capacity building drives us to enhance our services and support organizations in achieving excellence through internationally recognized standards and best practices.
- IQAS is an APAC & ILAC Full Member and a Signatory to the APAC & ILAC MRA for Testing & Calibration ISO/IEC 17025 and Medical Testing ISO 15189 schemes.
- Accreditation confirms adherence to specific standards, ensuring consistent quality regardless of the Accreditation Body's identity or location..

## IQAS GRANTS ACCREDITATION TO:-
