NOV MONTH

MR. R.S. Rana, Director IQAS

- As we move into a new month, we reflect on a productive November 2025 saw a number of laboratories being accredited and many applying for accreditation.
- Several impactful training sessions were conducted and it gave us pride to have completed a year wherein a training was conducted every week. This spread of accreditation knowledge was and is a continued fulfilment of one of IQAS' objectives.
- Our continued commitment to quality, innovation, and capacity building drives us to enhance our services and support organizations in achieving excellence through internationally recognized standards and best practices.
- IQAS is an APAC & ILAC Full Member and a Signatory to the APAC & ILAC MRA for Testing & Calibration ISO/IEC 17025 and Medical Testing ISO 15189 schemes.
- Accreditation confirms adherence to specific standards, ensuring consistent quality regardless of the Accreditation Body's identity or location.

IQAS GRANTS ACCREDITATION TO:-

- **Testing Laboratories** as per **ISO/IEC 17025:2017**
- **Calibration Laboratories** as per **ISO/IEC 17025:2017**
- **Medical Testing Laboratories** as per **ISO 15189:2022**
- **Proficiency Testing Providers (PTP)** as per **ISO/IEC 17043:2023**
- **Reference Material Producers (RMP)** as per **ISO 17034:2016**

Mission

To provide economical, hassle free and timely accreditation services to desirous laboratories

Vision

To make accreditation services available and accessible to laboratories for testing, calibration, medical, proficiency testing providers and reference material producers across all sectors, ensuring benefits to all the stakeholders.
