International Qaulity and Accreditation Services

IQAS

Knowledge Centre is Conducting Training Program On

Requirement Of Point of Care Testing (POCT) based on ISO 15189:2022

POINTS TO BE COVERED

INR 500.00 + 18% GST (Total INR 590.00) & For International Participants :- USD 30

Date - 31st Jan 2026

Time - 10:00 AM t0 01:30 PM

- Understand the scope, clinical relevance, and risks associated with POCT.
- Interpret ISO 15189:2022 requirements applicable to POCT governance, oversight, and accountability.
- Define roles and responsibilities of laboratory management, clinicians, and POCT operators.
- Develop and implement POCT policies, SOPs, and documentation aligned with accreditation expectations.
- Apply risk management principles to ensure correct patient identification, sample handling, and reliable results.
- Ensure training, competency assessment, and authorization of POCT personnel.
- Implement quality control, calibration, and maintenance requirements for POCT devices.
- Manage result reporting, data integrity, traceability, and record retention.
- Identify, manage, and prevent POCT-related errors and nonconformities.
- Prepare confidently for internal audits and accreditation assessments related to POCT
